

THE INCLUSIVE GAZETTE

NEWSLETTER FROM IHRDI, FOUNDATION, CHANDIGARH

FROM THE CHAIRMAN'S DESK

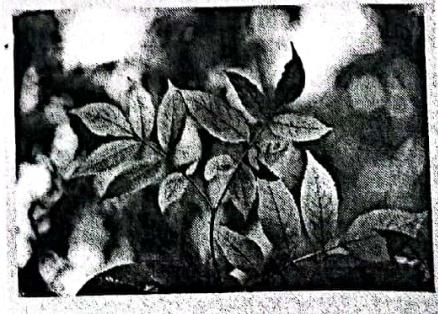

With its commitment to promote sustainability, environment, ecology, and livability for human beings both qualitative as well as productive, Inclusive Human Resource Development Initiative (IHRDI) was conceived and operationalised during the testing times of COVID 19 pandemic in the month of July, 2020. The Foundation is dedicated to the task ordained in the United Nation's Sustainable Development Goals. IHRDI remains largely a brain child and initiative of a small group of professionals committed to the task of Giving Back to the Society.

Taking a beginning to create awareness about issues facing society, community and people in the exceptional circumstances, created by COVID 19, a series of 90 minutes webinars were organized, religiously on every Sunday since its inception. In this short span of 8 months of existence, IHRDI is in the process of achieving its landmark of hosting its 50th in the series webinar on as many Sundays.

To mark this important milestone on the occasion of 50th webinar, IHRDI has planned to bring out an newsletter briefing the various activities undertaken by the Foundation so far.

ECO WARRIOR'S ONE MILLION TREES - SOME GLIMPSES

The World Environment day was celebrated by the IHRDI Foundation on 5th June, 2021 by involving the local community especially kids in creating awareness about the importance of environment. Each community member took a pledge to plant 100 trees in one's lifetime. Each one of them planted a sapling and shared his/ her pic.

The Foundation members planted 20 trees in Chandigarh after receiving them from the Forest Department, courtesy Dr Abdul Qayoom, IFS, DCF, Chandigarh. In addition to this, 125 saplings were planted by the Community of various age groups on the call given by IHRDI Foundation.

The designated Eco-Warriors pledged to plant at least 100 trees in their lifetimes.

TARGET : 1,000,000 trees

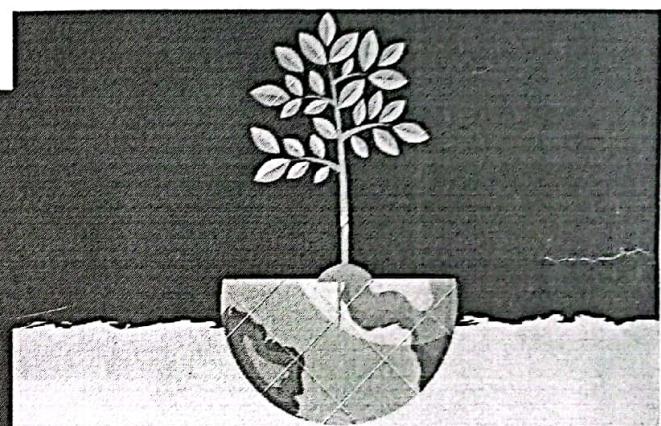

ACHIEVED : 145 trees
